A CALL TO MEN works to create a world where all men and boys are loving and respectful and all women and girls are valued and safe. A CALL TO MEN educates men all over the world on healthy, respectful manhood. Embracing and promoting a healthy, respectful manhood prevents violence against women, sexual assault and harassment, bullying and many other social ills. A CALL TO MEN is a violence prevention organization and respected leader on issues of masculinity, male socialization and its intersection with violence, and preventing violence against all women and girls. A CALL TO MEN has 20+ years of experience working with and training men, from the National Football League, the National Basketball Association, Major League Baseball and the National Hockey League, to the United States Military, the Department of Justice and the United Nations.
