2020 Tribute Awards Nominee Profile

In up to two pages, describe how the nominee reflects and impacts the YWCA's values. The YWCA's mission is "eliminating racism; empowering women and girls; promoting peace, justice, freedom, and dignity for all." Describe how she has demonstrated these values, providing specific examples.

Things to consider as you write the profile: How has your nominee demonstrated an effective ability to strengthen the position of women, girls, or populations that are traditionally marginalized/underserved? How do these populations benefit from such empowerment? Why is it important? How has your nominee and their efforts encouraged our community to be more inclusive and accepting? Has your nominee reached out to others beyond her own community?

NOMINATION DEADLINE IS THURSDAY, AUGUST 13 AT 5:00 PM.
No late nominations will be considered.

Guidelines

- The Selection Committee will be evaluating nominees on how they reflect the components of the YWCA's mission. Explicitly identifying these values in your submission will allow them to score your candidate as positively as possible.
- The complete nominee profile may not be more than two one-sided pages. Any pages beyond that will not be considered.
- Do not assume Selection Committee members know your nominee. Your nomination is the only item the Selection Committee considers in its decision-making process. Do not submit any other documents or links, as they will not be shared.
- Multiple nominations for the same person will be reviewed and evaluated separately. Only one person may be nominated per form.
- You may want to consult with others, even your nominee, to be sure you are including a comprehensive view of her activities and accomplishments.
- Resubmissions of past nominees are accepted, but it is highly recommended the nomination be updated.
- Self-nominations, nominations for current YWCA board members/staff, or previous Tribute Award recipients cannot be accepted. Lists of current board members and previous honorees are available at www.ywcawcmi.org/tribute.
- Nominees may be any individual who identifies as female.
